### **DETAILED ACTION**

1. Claims 1, 4-7 and 15-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art of record discloses or suggests alone or in combination that a display device (computer display) and a method for conducting light comprising a combination of various elements as claimed more specifically a liquid crystal display (LCD) housing made in a single piece from a single light transmissive/translucent material and a light source is embedded in the LCD housing as set forth in claims 1, 16-17 and 20.

The Examiner regrets allowance after filing of an appeal brief dated 02/24/2005 by Applicant. However, Applicant's arguments in the appeal brief are persuasive on the issue of nonobviousness.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
